### **INSTRUCTIONS**

In answering the interrogatories and requests for production of documents, furnish all documents and other information specified below, however obtained, including hearsay, that are in your possession, custody or control, or otherwise available to you, including documents and information appearing in your records.

Each answer is to be given separately and independently, and unless specifically stated in the particular discovery request, *no answer shall be given solely by reference either to another answer or to an exhibit attached to your response.*

The response to each discovery request propounded herein shall set forth separately the identification of each person capable of furnishing testimony concerning the response given, denoting separately those individuals who provided informational, documentary or other input and those who assisted in drafting the response.

If you cannot answer the discovery requests in full after exercising due diligence to secure the full information to do so, answer to the extent possible and indicate your inability to answer the remainder, stating whatever information or knowledge you have concerning the unanswered portion and detailing what you did in attempting to secure the unknown information. When an approximation or estimate is stated, designate the approximation or estimate as such and identify and describe each method by which, and each source of information upon which, the approximation was made.

Should you claim a privilege or other objection with respect to any documents, communications, or other items about which information is requested by the following interrogatory and requests for production of documents, describe such items in sufficient detail to provide justification for the claim or other objection. Each claim of privilege must specify in detail all grounds on which it rests. No part of a discovery request shall be left unanswered merely because an objection is interposed to another part of the request.

Unless otherwise indicated, the following discovery requests refer to the time period from January 1, 1995 to the present.

The following interrogatories and requests for production of documents are continuing in nature and you are required to file supplementary responses or amendments during the course of this matter if you obtain further or different information prior to or during the pendency of this matter.
